Petition under Section 151 of CPC praying the High Court to stay all further proceedings pursuant to the notice issued by the 3rd respondent in Ref.No.PCB/RP/AR/19(45)/2002-2003 dated 20-02-2003 pending disposal of W.P.NO.6273 of2003 on the file of the High Court.

The Court made the following Order:

1. In view of the decision rendered by the Hon'ble Supreme Court in Transfer Case (Civil) No.92-95 of 2002, dated 8th April, 2004 [MARDIA CHEMICALS LTD v UNION OF INDIA & ORS] upholding the constitutional validity of the provisions of the Securitisation And Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, barring sub-section (2) of Section 17 of the Act, which was declared as ultra vires of Article 14 of the Constitution of India, this petition deserves to be decided in terms of the said decision. The Supreme Court in MARDIA CHEMICALS case has held that before taking action by the Bank under the provisions of the Act, a notice of 60 days is required to be given by the bank and after the measures under Section 13 (2) of the Act have been taken, mechanism has been provided under Section 17 of the Act to approach Debts Recovery Tribunal. Supreme Court has further held thus:

> "1. Under sub-section (2) of Section 13 it is incumbent upon the secured creditor to serve 60 days notice before proceedings to take any of the measures as provided under sub-section (4) of Section 13 of the Act. After service of notice, if the borrower raises any objection or places facts for consideration of the secured creditor, such reply to the notice must be considered with due application of mind and the reasons for not accepting the objections, howsoever brief they may be, must be communicated to the borrower. In connection with this conclusion we have already held a discussion in the earlier part of the judgment. The reasons so communicated shall only be for the purposes of the information/knowledge of the borrower without giving rise to any right to approach the Debt Recovery Tribunal under Section 17 of the Act, at that stage.
>
> 2. As already discussed earlier, on measures having

been taken under sub-section (4) of Section 13 and before the date of sale/auction of the property it would be open for the borrower to file an appeal (petition) under Section 17 of the Act before the Debt Recovery Tribunal.

3. That the Tribunal in exercise of its ancillary powers shall have jurisdiction to pass any stay/interim order subject to the condition as it may deem fit and proper to impose.

4. In view of the discussion already held on this behalf, we find that the requirement of deposit of 75% of amount claimed before entertaining an appeal (petition) under Section 17 of the Act is an oppressive, onerous and arbitrary condition against all the canons of reasonableness. Such a condition is invalid and it is liable to be struck down.

5. As discussed earlier in this judgment, we find that it will be open to maintain a civil suit in civil court, within the narrow scope and on the limited grounds on which they are permissible, in the matters relating to an English mortgage enforceable without intervention of the court."

2. In view of the decision of the Supreme Court upholding constitutional validity of the offending provisions of the Act, we dismiss the writ petition thereby reserving liberty to the petitioner to work out his/its remedies as provided under the Act including filing of appeal under Section 17 of the Act within the period of limitation prescribed therefor, to be counted from today.

3. In view of the dismissal of the writ petition, the interim directions stand vacated and the WPMP stands disposed of as such.
